

*You are invited to:*

# Powers Street

**- A Community Vision and Design Session -**

**West Kildonan Community Centre  
Thursday, June 18<sup>th</sup> - 6:30 p.m.**

Would you like to see . . .

The development of an active transportation route from Kingsbury to Sutherland Avenues linking schools, parks, shopping, community and recreation centres?

Benefits to children, families, seniors, cyclists, pedestrians, persons with disabilities ?

30 km/h speed limit (school/playground speed) ?

Enhanced lighting and clearly marked signs ?

Increased neighbourhood safety and security ?

Safer, easier-to-cross major intersections ?

Traffic-calming to reduce use by non-local vehicles ?

Integration with Powers Park redevelopment (Powers at Selkirk) ?

Connections to Pritchard Avenue, Charles Street, the North Winnipeg Parkway, the proposed King Street Underpass, the Forks, Polo Park, Downtown and beyond?

**We want to hear from you.  
Everyone Welcome.**

How to Get there:

North Winnipeg Commuter Cyclists
