West End Cultural Centre presents:

100 Mile Musical Diet – Winnipeg Rock Tribute

w/ **Magnum K.I.** perform **The Weakerthans' *Reconstruction Site***
+ Paper Moon perform **Red Fisher's *War Wagon***

Thursday, June 10 @ WECC

The West End Cultural Centre is excited to celebrate June's first annual **100 Mile Musical Diet** challenge. Our stereos will be tuned in to lots of obscure or forgotten local acts as well as to those more renowned ones, while also exploring some new Manitoba music that hasn't been spotlighted yet. This first instalment of the **100 Mile Musical Diet** is a show that will capture the imagination of all Winnipeg music fans alike.

Acclaimed local hip hop outfit [Magnum K.I.](#) is undertaking the bold task of covering [The Weakerthans' album *Reconstruction Site*](#). It will be exciting to hear the Weakerthans music twisted and morphed into a completely new genre. And for the true rock n roll nostalgist in you, local pop band [Paper Moon](#) will perform [Red Fisher's album *War Wagon*](#) in its entirety. Red Fisher featured future Weakerthans' drummer Jason Taite, and was part of the early 90's punk scene that exploded and formed the genesis for the next round of Winnipeg bands.

This is going to be a show for the ages – a stylistic mashup to pay homage to some of Winnipeg's most legendary acts. We'd like to thank Magnum K.I. and Paper Moon for taking on the challenge of the first **100 Mile Musical Diet!**

The WECC is also excited to introduce our **NEW** and **FREE BICYCLE VALET** service to our patrons on the same night as this show. Ride your bike here and have it stored in a locked and safe area while you watch the show!
